

Procedures for converting a foreign license to a Swedish AFF- or Tandem license

1. Foreign license conversion is done as above.
2. To convert and obtain AFF or Tandem qualifications, a Swedish examination is mandatory. The cost for Instructor Conversion is 4000 SEK plus any travel reimbursement to the examiner and the cost of jumping.
3. Candidates who wish to convert to a Swedish AFF or Tandem qualification contact the office: info@sff.se.

SFF will plan which examiner appointed by SFF is responsible for the conversion. The date and place are determined by the examiner and the candidate together. SFF invoices the cost of the conversion to the member club to which the jumper belongs.

The same procedure as above goes with converting a foreign rigger qualification
